

Alton Chamber of Commerce Pocket Park Survey

Alton Chamber of Commerce is exploring the possibility of joining with the City of Alton to create a pocket park on the east side of Court Square between Joella's Collective and Alton Public Library. The vision for the park is to have a welcoming space that would enhance the enjoyment of all who come to the square to work, shop, eat or conduct business. Please take this survey to indicate public interest in such a space.

Thank you for being a part of this community project!
